

QUALITY FEATURES

For over 60 years, Gerkin has been building storm doors that are superior in style, durability and efficiency. Here are the features you can expect from every Gerkin storm door we produce:

Lifetime Hinges

Our sophisticated hinges are made from extruded aluminum and have an exclusive lock-in feature.

Foam Insulated Frame

Heavy duty, smooth aluminum with baked on enamel finish is foam insulated for better energy efficiency.

Concealed Installation Screws

All Gerkin doors come with zinc screw covers. This ensures a clean and finished appearance from the outside.

Aluminum Clad, Polyethylene Core Kick Panels

Our kick panels are built "kid tough" to withstand years of daily use.

Adjustable Sill Expander

Two flexible sweeps and our sloped design expander provide a tight seal at the threshold.

Deep Wool Pile Weatherstripping

This excellent weatherstripping seals out the elements at the head and jambs.

All models include tempered glass for safety.

Fifteen Models. Hundreds of Options.

Gerkin is proud to offer two exciting lines of beautiful, durable storm doors. With so much selection, we always have the door you're looking for!

CLASSIC SERIES

We took our seven most popular models and created a line of classic doors. These models are based on the door styles our customers most often select.

UNIQUELY YOURS SERIES

If you want a door perfectly designed for your home, your budget and your lifestyle, our "Uniquely Yours" series offers you a huge range of custom combinations. Select one of fifteen models, and customize it by choosing one of six colors and nine different kinds of hardware. Doors can be further appointed with custom features such as brass or pewter sill expanders and head ventilators.

 WINDOWS & DOORS

GWD 02/12

Nothing says "Welcome Home" quite like a beautiful entry.

At Gerkin, we believe the perfect front door can take any home from special to spectacular. That's why we offer a wonderful selection of doors that can be customized for every home style, or you can choose from our seven classic designs. When it comes to creating the right finishing touch, our doors are always open!

Introducing The Classic Series.

The Gerkin Classic line features our best selling doors, using the most popular combinations of models, colors and hardware. The Gerkin Classic program gives you everything you would expect from a premium storm door, no matter what your price range or home style might be.

* Classic Series doors are available in unadorned finish only.

Make Your Door "Uniquely Yours"

Gerkin is proud to offer a customized door program that allows you to create one-of-a-kind doors without paying one-of-a-kind prices. Designing a door is easy. Just follow these four simple steps:

1. CHOOSE THE MODEL

We offer 15 models, ranging from a basic self-storing model to an extravagant full-view with beveled glass and brass coming.

2. CHOOSE THE COLOR

There are six popular colors to choose from, with one that's right for nearly every exterior.

3. CHOOSE THE HARDWARE

We've got everything from a simple yet stately pull handle to a beautifully curved brass lever or a new high-fashion pewter and Oil Rubbed Bronze finish. All closers are color matched to the door. All Seville and Alpine hardware sets come standard with two closers.

4. CHOOSE YOUR OPTIONS

You can also customize your Gerkin Storm door with a variety of added options, such as decorative moldings, brass or pewter sill expanders or head ventilators, to name a few.

THE COLORS

Bronze

Green

Black

White

Almond

Sandstone

*Colors shown are painted representations and may vary slightly on actual door model.

THE HARDWARE
