

Rules - Garages

Sunday, 04 January 2009 22:29

1) Resident / owners shall use only the garage space(s) which are allocated to their respective units,

2) Resident / owners are prohibited from using or storing any of the following items in garages:

1. Flammable materials and liquids
2. Combustible materials
3. Materials identified with hazardous labels
4. Compressed gases-such as LP tanks

Garage doors shall be kept closed when garages are not in use. Violations of the regulations concerning the use of the garage can result in a fine as determined by the Board of Directors.
